Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Michael Anthony Jones appeals the district court's order denying his motion for extension of time and motion to show cause amendment. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Jones v. United States*, No. 1:15-cv-00050-IMK-RWT (N.D.W. Va. Oct. 7, 2019). We deny Jones' motion for leave to file an amended complaint and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
