Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Patrick Furman Brown appeals the district court's order granting his motion for a sentence reduction pursuant to the First Step Act of 2018, Pub. L. No. 115-391, § 404, 132 Stat. 5194. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Brown*, No. 5:98-cr-00282-MBS-1 (D.S.C. Nov. 5, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
