Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Xunxian Liu appeals the district court's order granting Defendants' motion to dismiss his claims stemming from his 2015 employment termination. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *See Liu v. Bushnell*, No. 8:18-cv-03468-PWG (D. Md. Jan. 3, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
