PER CURIAM:

Pamela Diz appeals the district court's order denying her Fed. R. Civ. P. 60(b) motion for reconsideration of the court's previous order dismissing Diz's complaint as frivolous. We have reviewed the record and find no reversible error. Accordingly, we grant Diz's motion to amend her informal brief and affirm for the reasons stated by the district court. *Diz v. Martin*, No. 1:17-cv-00319-MR-WCM (W.D.N.C. Feb. 25, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
