PER CURIAM:

Andrew U.D. Straw appeals the district court's order dismissing his complaint for failure to state a claim upon which relief can be granted. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Straw v. U.S. District Court for the Northern District of Illinois*, No. 1:18-cv-00278-CMH-MSN (E.D. Va. Feb. 28, 2020). We also deny Straw's pending motions. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
