Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Tomislav Milic appeals from the district court's order affirming the bankruptcy court's order denying his motion and amended motion to reconsider an order approving the sale of real property. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Milic v. HJE Group, LC*, No. 1:19-cv-00463-LO-MSN (E.D. Va. Mar. 16, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
