Appeal from the United States District Court for the Western District of Virginia, at Lynchburg. Elizabeth Kay Dillon, District Judge. (6:18-cv-00061-EKD-JCH)

Submitted: December 4, 2020

Decided: December 29, 2020

Before MOTZ, WYNN, and RUSHING, Circuit Judges.

Dismissed by unpublished per curiam opinion.

Crystal VL Rivers, Appellant Pro Se. Elaine Duross McCafferty, WOODS ROGERS, PLC, Charlottesville, Virginia; Richard Thomas Gilman, RICHARD GILMAN, Forest, Virginia, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Crystal VL Rivers seeks to appeal the district court's order adopting in part the magistrate judge's recommendations and dismissing some—but not all—of the claims raised in Rivers' civil action. This court may exercise jurisdiction only over final orders, 28 U.S.C. § 1291, and certain interlocutory and collateral orders, 28 U.S.C. § 1292; Fed. R. Civ. P. 54(b); *Cohen v. Beneficial Indus. Loan Corp.*, 337 U.S. 541, 545-46 (1949). The order Rivers seeks to appeal is neither a final order nor an appealable interlocutory or collateral order. Accordingly, we dismiss the appeal for lack of jurisdiction. We further dismiss as moot Appellee Sherwood Day's motion to dismiss the appeal and deny Rivers' motions for an extension of time to file a reply brief and leave to supplement the record.

We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

DISMISSED
