PER CURIAM:

Robbie Collins appeals the district court's order adopting the magistrate judge's recommendation and granting defendants' motions for summary judgment in his 42 U.S.C. § 1983 action. We have reviewed the record and find no reversible error. Accordingly, we deny the motion to appoint counsel and affirm for the reasons stated by the district court and magistrate judge. *See Collins v. Stephan*, No. 9:18-cv-03282-RMG (D.S.C. Jan. 16, 2020; Nov. 6, 2019). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
