Before WILKINSON, AGEE, and WYNN, Circuit Judges.

Affirmed by unpublished per curiam opinion.

Eugene Dyson, Appellant Pro Se. Douglas Conrad Meister, Gina Marie Smith, MEYERS, RODBELL & ROSENBAUM, PA, Riverdale Park, Maryland; Patricia H. Beall, MARKS, O'NEILL, O'BRIEN, DOHERTY & KELLY, P.C., Towson, Maryland, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Eugene Dyson appeals the district court's order granting summary judgment in favor of Defendants on Dyson's 42 U.S.C. § 1983 complaint. We grant Dyson's motion for leave to file his supplemental brief and grant the Medical Defendants' motion to strike Dyson's "Updated Affidavit."* We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Dyson v. Wexford Health Sources, Inc.*, No. 8:19-cv-00307-TDC (D. Md. Mar. 10, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED

* Dyson has also filed a pleading captioned, "Relief from Judgement or Order," in which he asks this court to "permit disclosure of the State employed witnesses' testimony on the facts of the case." To the extent that this pleading was intended as a motion to permit new evidence, the motion is denied.
