PER CURIAM:

John E. Hargrove appeals the district court's order construing Hargrove's request for the court to provide a cost for copies of all transcripts from his criminal case as a motion for transcripts and denying that relief. We have reviewed the record and find no reversible error or abuse of discretion. Accordingly, we affirm for the reasons stated by the district court. *United States v. Hargrove*, No. 3:07-cr-00058-GMG-RWT-1 (N.D.W. Va. Apr. 8, 2020). We deny Hargrove's motion to preclude certain BOP officials from handling or processing his legal materials. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
