PER CURIAM:

Junior Devon Williams appeals the district court's order denying relief on Williams' amended 42 U.S.C. § 1983 complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Williams v. Dickens*, No. 5:18-ct-03335-BO (E.D.N.C. July 16, 2020). We deny Williams' motions to appoint counsel, compel discovery, and for a physical and mental examination. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
