Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Xavia T. Goodwyn appeals the district court's order accepting the recommendation of the magistrate judge and granting judgment to Defendants following a bench trial on Goodwyn's 42 U.S.C. § 1983 excessive force claim and related claims. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court and deny as moot Goodwyn's motion for emergency transfer because he has been released from prison. *Goodwyn v. Roop*, No. 7:17-cv-00271-NKM-JCH (W.D. Va. Aug. 12, 2020). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
