PER CURIAM:

Dana Scioli appeals the district court's order remanding his pending criminal case to state court. We have reviewed the record and find no reversible error. We therefore affirm for the reasons stated by the district court. *Scioli v. Maryland*, No. 8:20-cv-02451-PWG (D. Md. Aug. 27, 2020). We also deny Scioli's pending motions. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
