Affirmed as modified by unpublished per curiam opinion.

Valerie Arroyo, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Valerie Arroyo appeals the district court's orders dismissing her complaint and imposing a prefiling injunction. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. *Arroyo v. Lyles*, No. 3:20-cv-00506-FDW-DSC (W.D.N.C. May 28, 2021 & July 21, 2021). However, we modify the district court's dismissal order to clarify that Arroyo's claims against the Federal Bureau of Investigation are dismissed without prejudice. *See Cunningham v. Gen. Dynamics Info. Tech., Inc.*, 888 F.3d 640, 649 (4th Cir. 2018); *S. Walk at Broadlands Homeowner's Ass'n v. OpenBand at Broadlands, LLC*, 713 F.3d 175, 185 (4th Cir. 2013). We deny Arroyo's petition for initial hearing en banc and her motions for a new trial, for an appeal conference, to set aside an interlocutory sua sponte order, and for a trial de novo. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
