PER CURIAM:

Jamal A. Azeez appeals the district court's order accepting the recommendation of the magistrate judge and dismissing his civil complaint. We have reviewed the record and find no reversible error. Accordingly, we grant Azeez's motion to supplement his informal brief and affirm for the reasons stated by the district court. *Azeez v. Robertson*, No. 5:20-cv-00384 (S.D.W. Va. June 1, 2021). We deny Azeez's motion to review and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
