PER CURIAM:

John Watson, Jr., appeals the district court's order denying without prejudice his motion for default judgment and forwarding his filings to the District Court for the Eastern District of North Carolina. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Watson*, No. 1:13-cr-00336-TSE-IDD-1 (E.D. Va. May 24, 2021). We also deny Watson's motion for his immediate release and case dismissal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
