HOOD LAW FIRM, Charleston, South Carolina, for Appellees.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Robert Holland Koon appeals from the district court's order denying his motion to set aside settlement and granting Defendants' motion to enforce settlement. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Koon v. Clark*, No. 4:18-cv-01584-DCN (D.S.C. Mar. 29, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
