Appeal from the United States District Court for the Eastern District of Virginia, at Alexandria. Claude M. Hilton, Senior District Judge. (1:20-cv-00599-CMH-IDD)

Submitted: July 21, 2022

Decided: July 25, 2022

Before MOTZ, HARRIS, and RUSHING, Circuit Judges.

Affirmed by unpublished per curiam opinion.

David Nighthorse Firewalker-Fields, Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

David Nighthorse Firewalker-Fields appeals the district court's order denying relief on his 42 U.S.C. § 1983 complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Firewalker-Fields v. Clarke*, No. 1:20-cv-00599-CMH-IDD (E.D. Va., Dec. 2, 2021). We also deny Curiae Disability Party's motion to file an amicus curiae brief. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

AFFIRMED
