James Adeyemi, Appellant Pro Se. Jillian Elizabeth Quick, Assistant Regional Counsel,  
Office of General Counsel, SOCIAL SECURITY ADMINISTRATION, Baltimore,

Maryland, for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

James Adeyemi appeals the district court's orders denying relief on his complaint, in which he contested decisions by the Commissioner of the Social Security Administration, and his Fed. R. Civ. P. 59(e) motion. On appeal, we confine our review to the issues raised in the informal brief. *See* 4th Cir. R. 34(b). Because Adeyemi's informal brief does not challenge the basis for the district court's disposition, he has forfeited appellate review of the court's order. *See Jackson v. Lightsey*, 775 F.3d 170, 177 (4th Cir. 2014) ("The informal brief is an important document; under Fourth Circuit rules, our review is limited to issues preserved in that brief."). Accordingly, we affirm the district court's judgment. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
