PER CURIAM:

Javier Alexis Reyes, a native and citizen of Honduras, petitions for review of an order of the Board of Immigration Appeals adopting and affirming the Immigration Judge's decision denying Reyes' motion to terminate and denying his application for cancellation of removal. On appeal, Reyes raises a single claim, contending that 8 C.F.R. § 1003.15(b)-(c) (2022) is inconsistent with 8 U.S.C. § 1229(a)(1)(G) and is therefore ultra vires. We find no reversible error and so deny the petition for review. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
