Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Jazz Elyse Estell El appeals the district court's order denying relief on her civil complaint. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Estell El. v. City of Greensboro*, No. 1:22-cv-00048-CCE-JEP (M.D.N.C. July 12, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
