Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Thomas Paul Keeler, II, appeals the district court's order denying his motion for compassionate release. We have reviewed the record and find that the district court did not abuse its discretion. *See United States v. Kibble*, 992 F.3d 326, 329 (4th Cir. 2021) (stating standard of review). Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
