PER CURIAM:

Jeremy Shane Cochran appeals the district court's order granting Defendants summary judgment in Cochran's 42 U.S.C. § 1983 civil rights action. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *Cochran v. Panardi*, No. 1:20-cv-03695-RDB (D. Md. Dec. 1, 2021). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
