PER CURIAM:

Earl Whittley Davis appeals the district court's order denying his motion for reconsideration of the denial of his motion for compassionate release. We review a district court's denial of a compassionate release motion for abuse of discretion. *United States v. Kibble*, 992 F.3d 326, 329 (4th Cir.), *cert. denied*, 142 S. Ct. 383 (2021). We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Davis*, No. 8:07-cr-00199-DKC-1 (D. Md. Feb. 7, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
