for Appellee.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Frank G. Rendon appeals the district court's orders dismissing his civil action under the Federal Tort Claims Act and denying his motion for reconsideration. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's orders. *Rendon v. United States*, No. 5:19-ct-03227-BO (E.D.N.C. Dec. 20, 2021 & May 9, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
