Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Barbara A. Beaver appeals the district court's order granting Defendant's motion to dismiss and dismissing her complaint raising state law negligence claims. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order, *Beaver v. Pfizer, Inc.*, No. 1:22-cv-00141-MR (W.D.N.C. Mar. 6, 2023), as modified to reflect dismissal without prejudice, *see King v. Rubenstein*, 825 F.3d 206, 225 (4th Cir. 2016). We deny Beaver's motion for a waiver of docket viewing fees, and we dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.

*AFFIRMED AS MODIFIED*
