PER CURIAM:

Ehonam M. Agbati appeals the district court's order denying his postjudgment motions. We have reviewed the record and find no reversible error. The district court did not abuse its discretion by denying Agbati's second motion for correction, and Agbati did not provide a plausible basis for sealing the case, reassigning it to another judge, or holding a hearing. Accordingly, we affirm the district court's order. *Agbati v. Va. Dep't of Agric. & Consumer Servs.*, No. 3:19-cv-00512-JAG (E.D. Va. Mar. 2, 2023). We deny as moot Agbati's motion to hold ruling on this appeal. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
