PER CURIAM:

Wilbert J. Alexander, II, appeals the district court's orders granting Defendants' motions to dismiss and for summary judgment in Alexander's civil action raising several federal and state law claims, including claims for discrimination, harassment, and retaliation, in violation of Title VII of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000e to 2000e-17. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's judgment. *Alexander v. S.C. Dep't of Transp.*, No. 3:20-cv-04480-TLW (D.S.C. June 23, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
