PER CURIAM:

Matthew B. Kidder appeals the district court's order accepting the recommendation of the magistrate judge to dismiss Kidder's complaint for lack of personal jurisdiction over Defendant. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Kidder v. Ouyang*, 8:23-cv-00505-TMC (D.S.C. July 18, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
