PER CURIAM:

Gary Spencer Albury appeals the district court's order denying his second motion for compassionate release pursuant to 18 U.S.C. § 3582(c)(1)(A). We review a district court's denial of a compassionate release motion for abuse of discretion. *United States v. Kibble*, 992 F.3d 326, 329 (4th Cir. 2021). We have reviewed the record and discern no abuse of discretion. Accordingly, we affirm the district court's order. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
