Before WILKINSON, GREGORY, and RICHARDSON, Circuit Judges.

Raymond Alexander Ford, Jr., Appellant Pro Se.

Unpublished opinions are not binding precedent in this circuit.

PER CURIAM:

Raymond Alexander Ford, Jr., appeals from the magistrate judge's order denying his motion to appoint counsel and the district court's order dismissing his 42 U.S.C. § 1983 civil action. We have reviewed the record and find no reversible error. Accordingly, we affirm the orders. *Ford v. Northam*, No. 7:22-cv-00122-EKD-JCH (W.D. Va. Nov. 15, 2022; Mar. 31, 2023; Apr. 26, 2023). We grant Ford's motion to exceed length limitations for his informal brief, deny his motions to compel and to extend the filing time for an informal reply brief, and dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
