PER CURIAM:

James Johnson appeals the district court's order denying his amended motion for return of property. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Johnson v. United States*, No. 1:23-cv-00275-RDB (D. Md. Aug. 1, 2023). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
