PER CURIAM:

Marcus Devan Hunter appeals the district court's order dismissing his amended 42 U.S.C. § 1983 complaint for failure to state a claim. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *Hunter v. N.C. Dep't of Adult Corr.*, No. 5:23-ct-03087-BO-RJ (E.D.N.C. Aug. 31, 2023). We deny Hunter's motion to amend his informal brief to the extent he seeks *de novo* review in No. 23-1797, a case in which we dismissed Hunter's petition for a writ of mandamus for failure to prosecute. We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
