PER CURIAM:

John Samuel Leigh appeals the district court's paperless order denying his 18 U.S.C. § 3582(c)(2) motion for a sentence reduction. We have reviewed the record and find no reversible error. Accordingly, we affirm the district court's order. *United States v. Leigh*, No. 3:00-cr-00057-GMG-RWT-25 (N.D.W. Va. June 24, 2022). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
