COVENTRY II DDR/TRADEMARK MONTGOMERY FARM	I, L.P.,
Appellee.	
Appeal from the United States District Cou for the Northern District of Texas	rt

No. 12-11238

Before STEWART, Chief Judge, JOLLY and SMITH, Circuit Judges. PER CURIAM:*

In this bankruptcy matter, the debtor and her attorney challenge the district court's affirmance of three actions of the bankruptcy court: (1) the denial of the debtor's motion for contempt that had alleged the creditor's violation of the automatic stay; (2) the quashing of the debtor's subpoena and ordering debtor's attorney to pay the creditor \$5,000 in sanctions; and (3) an order directing debtor's lawyer to pay the creditor \$20,000 in sanctions. The district court explained its affirmance in a thorough and well-reasoned order dated November 13, 2012.

We have reviewed the briefs and applicable law and have examined pertinent portions of the record. Out of an abundance of caution, we also entertained oral argument. There is no abuse of discretion or other reversible error. The judgment of the district court, affirming the various actions of the bankruptcy court, is AFFIRMED.
