purpose of manufacturing or distributing a controlled substance because the district court double counted the underlying offense conduct.

Because Gilford did not object to the enhancement in the district court, we review for plain error. *See Puckett v. United States*, 556 U.S. 129, 135 (2009). To prevail on plain error review, Gilford must show a forfeited error that is clear or obvious and that affects his substantial rights. *See id.* If Gilford makes such a showing, this court has the discretion to correct the error, but only if it “seriously affects the fairness, integrity, or public reputation of judicial proceedings.” *Id.* at 135 (internal quotation marks, brackets, and citation omitted). On plain error review, an error is not clear or obvious if it is subject to reasonable dispute or requires the extension of precedent. *Id.*

We have “held that double counting is prohibited only if the particular guidelines at issue forbid it.” *United States v. Jones*, 145 F.3d 736, 737 (5th Cir. 1998). Double counting is not prohibited under § 2D1.1, U.S.S.G. § 2D1.8, and their accompanying commentary. *See* § 2D1.1; § 2D1.8. In addition, this circuit has not addressed whether the application of the § 2D1.1(b)(12) premises enhancement in an § 856(a)(1) case constitutes impermissible double counting under the Guidelines. Therefore, Gilford raises an issue subject to reasonable dispute and, thus, it is not clear or obvious error. *See Puckett*, 556 U.S. at 135.

The judgment of the district court is AFFIRMED.
