Before: COOK and McKEAGUE, Circuit Judges; and EDGAR, District Judge.*

PER CURIAM. Brenda Abercrombie appeals the district court’s dismissal of her suit against the United States Department of Agriculture for lack subject matter of jurisdiction. Having reviewed the record and the applicable law, and having the benefit of oral argument and the parties’ briefs, we determine that no jurisprudential purpose would be served by a panel opinion and affirm the district court’s decision for the reasons stated in that court’s opinion.

*The Honorable Robert Allan Edgar, United States District Judge for the Eastern District of Tennessee, sitting by designation.
