v.

MARC E. THOMPSON,
Defendant-Appellant.

Appeal from the United States District

Eastern Division.

No. 04 CR 944

ORDER

On consideration of the petition for rehearing with suggestion for rehearing en banc filed by Defendant-Appellant on May 30, 2008, the opinion is amended as follows.

The last sentence on page 9 of the slip opinion is modified so that it begins:

“As it turns out, some testing was done, and the government had produced to Thompson’s trial counsel (who does not represent him on appeal) a report from the Chicago Police Department that stated:”

In all other respects, all members of the original panel have voted to **DENY** the petition for rehearing. No judge in regular active service requested a vote on the petition for rehearing en banc.
