

to provide access for an individual or individuals who have a legitimate working relationship with an accredited media organization (as determined by the WIAA) in connection with the event for which the credential is issued.

By requesting and accepting the use of a WIAA credential, the media organization, its personnel and agents, together agree the bearer of the credential is performing a legitimate working function in attending the event. The credential is for use only in connection with the bearer's news and editorial coverage of the event.

Requesting Credentials

Requests for media credentials will be accepted and issued to members of the media and media organizations based on the following conditions:

1. Credentials for all regional and sectional levels of the Tournament Series will be issued by the tournament manager at the school hosting the event. All media are required to contact the host school athletic director or host tournament manager in advance of the event to make arrangements for credentials. Failure to contact host managers/athletic directors in advance may result in denied media privileges at tournament events.
2. Credential requests for State Tournaments must be submitted on a completed Credential Request Form. An on-line submittable form is located on the restricted area of the WIAA Media Center Web site. The form is also located in this guide (page 18) and in the WIAA Media Guides. Please submit the form by the published deadlines (see page 4). Forms submitted on-line are preferred. Email requests may also be accepted; however, any information or request not provided in an email that pertains to credential requests and accommodations as noted on the "Credential Request Form" (i.e. parking, phone line, etc.) will not receive consideration.
3. No credential requests or accommodations will be approved for persons not employed on staff or as freelance by contract of a recognized media organization. **Credentials must not be requested for and will not be granted to coaches, former coaches, family, friends or family of participants not employed by the requesting media organization.**
4. Requests must be received in the WIAA office no later than noon two days before the start of the respective State Tournament event (see "Credential Request Deadlines" section). **REQUESTS RECEIVED AFTER DEADLINES WILL NOT BE CONSIDERED.** In addition, no credentials will be issued to media that arrive at State Tournament venues without having verification by the WIAA of a credential request made by the prescribed deadline.
5. Verification of approved media credential requests will be posted on the restricted area of the WIAA Media Center Web site the morning of the credential request deadline date.
6. Any substitutions of approved credentials must be done by sports directors or editors contacting the WIAA prior to arriving at the State venue at (715) 344-8580.
7. The WIAA reserves the right and sole discretion to revoke current and deny future credentials to any media organization in violation of any WIAA media policies or provisions of credentials. Media organizations that violate credential policies are subject to legal liability, as well as all costs incurred in enforcing the terms of these policies, including but not limited to reasonable attorney fees.
8. Permission for local cable operators in relation to videotaping or airing Tournament Series events must be done by contacting When We Were Young Productions (608) 849-3200 ext. 225. Credentials will not be granted to cable operators not receiving clearance from WWWY Productions.

Credential Provisions

1. The WIAA authorizes the number of credentials issued to any media organization. The WIAA media credential is issued to members of legitimate media outlets that have a professional working function (as determined by the WIAA) at WIAA State Tournament venues and events. The credential provides access to specified locations, venues and events for which the credential was issued. At certain tournaments, some areas may be restricted for radio, television, news print and photographers.

2. Credentials must be worn and displayed at all times while at the tournament venue for which the credential is issued.
3. Transfer or sale of credentials is prohibited and will result in immediate confiscation of credential and/or possible denial of future credentials to individual perpetrators or their affiliated media organization as determined by the WIAA.
4. The media work areas are available for professional working members of the media. Cheerleading in press boxes and media seating is unprofessional and will not be tolerated. Violators will have their media credentials revoked and be escorted out of the media area or press box by WIAA or security personnel.
5. Children, spouses and friends of media that are not officially employed by a media outlet are not permitted in media areas during or immediately following contests.
6. Any member of the media believed to be intoxicated, under the influence of mood-altering substances or acting in an unprofessional manner as determined by WIAA personnel will have their media credentials revoked and be escorted out of the media area with possible denial of future credentials to individual perpetrators and/or their affiliated media organization as determined by the WIAA.
7. A media credential does not allow access to team or participant locker rooms before, during or after any State Tournament competition. Coaches and participants may be available for interviews directly outside the locker rooms.

Credential Pick-up

All approved credentials can be picked up at the tournament venues. No credentials will be mailed prior to the tournaments. A photo ID may be required to claim passes at certain State Tournament venues. Please be prepared to show photo ID to receive all State media credentials.

Approved credentials will be placed in individual envelopes identified with each bearer's name. Credentials will be made available for pick-up at State venues approximately 1 hour, 30 minutes prior to the start of each day's competition.

For events at the Kohl Center (individual wrestling, boys basketball), credentials will be available at the Mifflin Street entrance to Lot 91. For events at Camp Randall Stadium (football), credentials can be picked up at the entrance to the parking ramp (Lot 17) on Engineering Drive. For events at the UW Field House (team wrestling), credentials will be available at the Gate C entrance to the Field House. Locations for credential pick-up may change. Any changes in credential pick-up locations will be communicated in State preview releases.

Credential pick-up at other State venues will be located at the designated "Will-Call" window. The "Will-Call" window at the Alliant Energy Center for State hockey is located at the east side ticket windows and located at the west side entrance for State girls basketball. Credential pick-up at other State Tournament venues are conveniently located at media entrances to restricted media areas.

Member School Photo Credentials

The WIAA does not provide media credentials to member schools for students of schools advancing to the State Tournaments. However, each school that qualifies a team for the State Tournament is permitted one (1) "Student Photographer" credential in sports where applicable. A ticket must be purchased and a letter from the principal or athletic director identifying the individual as the recipient of the "Student Photographer" credential is required.

Only schools of competing teams may receive a student credential to photograph or tape a State Tournament event in applicable sports. Tapes or photos may not be sold, rented, loaned, loaded to the Web site or shared with other schools or local cable access stations. Any commercial sponsorship or financial gain from tapes is prohibited. Violation of this policy will subject the school to the broadcast rights fee.

A school which designates any outside entity for its "Student Photographer" pass forfeits the right to send its own film or video photographer to the State Tournament.

Parking Permit Ordering Policies

For most WIAA State Tournaments, media may utilize and purchase existing general parking at the venues. For events at the Kohl Center and Camp Randall in Madison, Wis., members of the media may request to purchase, at cost, parking permits from the WIAA.

Parking permits available through the WIAA are assigned on the basis of need and/or in order of requests. Any requests made for parking after the prescribed credential request deadline (see "Media Credential Request Deadlines" section) for the respective tournament may not be available.

All requests for parking will receive and be charged for all sessions of a tournament unless otherwise noted on the "Media Credential Request" form by the requesting media. Parking for subsequent games if a team in a media organization's coverage area wins or loses will be included and organizations will be charged regardless if the permits are used or not.

Requested parking permits will be included in an envelope with media credentials for events at the Kohl Center and Camp Randall (see "Credential Pick-up Policies" section). The media requesting parking permits should indicate on the "Credential Request Form" which individual(s) receive parking permits if parking requests are fewer than credential requests.

The WIAA reserves the right to refuse parking to any media organization failing to pay for parking ordered at any previous tournaments. The WIAA will invoice media organizations for parking fees following the tournaments.

Communication Lines

The WIAA secures a number of telephone, high-speed lines or wireless connections at State Tournament venues. All lines requested through the WIAA are shared lines. No dedicated lines throughout an entire tournament will be provided unless arrangements are made to install a dedicated line at cost to the media organization requesting the line (see "note" on page 6). Play-by-play radio broadcasts may request use of a phone line during their broadcasts at a cost indicated on the "Credential Request Form." Radio stations filing live reports will utilize "available lines" to file reports. Please indicate on the Credential Request Form if you plan to use a cell phone for broadcast or reports to help avoid invoicing for line usage fees.

Communication connection usage fees are \$25 for newspapers filing stories from State venues, \$25 for radios using phone lines to file live or taped reports back to stations, \$25 for internet companies using the lines to upload information on a regular basis but not on a continuous basis and \$75 for stations calling play-by-play for a game or segment of a game.

Note: Any media requesting or requiring to guarantee a dedicated line (exclusive line) for continual use during an entire tournament must make arrangements for the installation and charges with the host venue and telecommunications company and notify the WIAA. Media outlets with pre-existing dedicated lines at host venues will have those lines reserved for its use. However, seat locations adjacent to a media's dedicated phone jack is not guaranteed based on available media seating.

Photography Provisions

Guidelines and policies for photographers at WIAA State Tournaments and during the Tournament Series are determined by the WIAA and based on the nature of the activity and venue, and the official rules of the activity. Photographs taken with the issuance of credentials are strictly restricted to editorial and non-commercial uses and are restricted to newspapers, news and sports-related periodicals and Web sites, except with written consent of the WIAA Executive Staff. No resale of digital image files, photos, videotape or film by media organizations is permitted without written consent of the WIAA. The only permitted resale of images and/or photographs are those actually included and distributed in printed publications. Photographers issued WIAA credentials must adhere to all WIAA photography policies and provisions outlined in this section.

Photographs taken with the authoritative use of the media credential by news gathering media outlets are strictly for editorial, non-commercial use only. A license authorizing the sale of photographs of WIAA pre-State Tournaments (regionals and sectionals) is available through WIAA for a yearly fee of \$100. Please contact the WIAA if interested.

Any sale of photography, digital image files, videotape or film taken at State Tournament Series events is prohibited without written consent of the WIAA. Any photos, images or video taken with WIAA credentials are subject to rights, if any, of all third parties, including the individuals photographed.

Use of flash equipment and strobe lighting is permitted at all State Tournaments except the gymnastics championships, provided the use of such equipment does not interfere with or disrupt any action or administration of the event. It is the authority of the WIAA to determine if flash equipment is interfering or disrupting play at the State Tournament and the authority of game officials and tournament management at pre-State tournaments. Media intending to use flash and strobe equipment should meet with officials and tournament managers prior to regional and sectional contests to avoid potential problems.

During post-game celebrations and awards ceremonies, only the official WIAA photographer and the entity possessing the exclusive television broadcast rights are allowed inside the ceremony perimeter (as determined and controlled by WIAA personnel). All other photographers must remain at the ceremony perimeter.

Loose equipment bags or tripods are not allowed at courtside, on the sideline or in competition areas. Photographers must remain in areas designated for photographers as determined by the WIAA (see "Photographer Location Policies" section).

Photographers are prohibited from shooting in spectator areas that obstruct the view of spectators in their ticketed seats.

Photography Locations

The following outline provides the photography policies and the locations available for photographers at each sport's State championship venue. Please refer to the media instructions in State Tournament media packets at each State venue for additional information or changes to policies.

Baseball - National Federation rules prohibit media photographers from being present in any live ball areas. Photographers must remain in designated photo areas as determined by the WIAA. The designated photo areas at Spring Baseball are located in the photography box on the outfield side of the dugouts along the first and third base lines. The designated photo areas at Summer Baseball are located inside the fence on the outfield side of the dugouts along the first and third base lines. These locations are identified with a chalk outline. Access to the field is available during award ceremonies.

Basketball - Only photographers with properly displayed media credentials will be allowed access to courtside photo areas. These areas are at the edge of the court along the ends of the court, from the corner of the court to the free throw lane extended to the edge of the floor on each side of the baskets. No photographers are allowed on the floor along the sides of the court (along team benches and media row). Photographers must sit or kneel when the game is in progress. No television or press photography is allowed on the court during pregame warm-ups, during announcing of the starting lineups or anytime during the game with the exception of the official WIAA network and videographers.

Cross Country - Photographers with cameras and credentials will be allowed inside spectator ropes and restraining fences in designated areas for race starts and finishes as determined by the WIAA. Crossing in front of runners during the race on the course is strictly prohibited. At the finish chute, photographers must stay in designated roped-off areas. Photographers must stay out of all sand traps and off tee boxes and greens.

Football - Photographers will be allowed access to the sidelines with properly displayed credentials. Photographers are allowed behind the dotted line from the 30-yard line to the end zone and along the back end of the end zone. Photographers are not allowed in the team areas (30-yard line to 30-yard line) except for the official WIAA videographer, but may pass through the back of the team box to get to the other end of the field. However, they are not allowed to stop in the team area.

Golf - Photographers with properly displayed credentials may follow golfers. Photographers must shoot from the rough or cart paths, taking extreme caution not to interfere with contestant sight lines or disturb play in any manner as determined by the WIAA.

Gymnastics - This is the only tournament that prohibits flash and strobe photography because of the potential safety hazard to gymnasts. Photographers must remain outside the perimeter of the judges and must leave the floor after the event they are shooting is completed or when the gymnast has finished her routine. Photographers must refrain from moving at locations near apparatus during routines.

Hockey - Photographers with properly displayed credentials may shoot from nearly any location at the Coliseum where spectator views are not blocked. However, photographers other than the official WIAA photographer and videographer, are prohibited from shooting from the penalty box, team bench areas, the goal judge area and the player entrance areas.

Soccer - Photographers are prohibited from entering the playing field at anytime during a game, including shootouts. Photographers with properly displayed credentials are allowed to shoot during play on the sidelines and on the end lines directly inside ropes and fences not to encroach the sideline of the soccer field with the following two exceptions. Photographers are prohibited from shooting in the area directly behind the goal/penalty area on each end of the field during action or in front of the official bench and team benches at any time. It is permissible for photographers to move onto the playing area for pictures before and after games, during halftime and during intermissions between overtime periods.

Softball - National Federation rules prohibit media photographers from being present in any live ball areas. Photographers must remain in designated photo areas off the playing field as determined by the WIAA. The designated photo areas at Goodman Diamond are outside the fence in the opening between seating areas along the first and third base lines. In addition, photographers can shoot outside the fence down the lines in the outfield and in the designated camera area in the stands behind home plate. Access to the field is available during award ceremonies only.

Swimming & Diving - Photographers with properly displayed credentials may shoot from the designated areas on the pool deck and behind any roped-off areas. Permissible photographer areas are located on the control side of the pool, behind the timers' chairs and at the contestant seating area at the end of the pool opposite the starting blocks. Photographers are not allowed on the walkway where the awards stand is located or near the diving pool. Television photographers and photographers using flashes/lights pointed at the swimmers during turns, exchanges and starts are prohibited.

Tennis - Photographers with properly displayed credentials may shoot from nearly any location of the Stadium where spectator views are not blocked. No photography is permitted at courtside during matches. Media wishing courtside photos during warm-ups are required to request access from WIAA personnel prior to entering courts. Flash photography at courtside during warm-ups must receive permission from WIAA officials.

Track & Field - Updated guidelines for photographers at the new Veterans Memorial Stadium will be developed and communicated leading up to the State Meet. Access to the infield will be limited to photographers only and only in the designated areas. Anyone with a media or photo credential not shooting photography in these areas will be removed from the infield. In addition, any media photographer taking pictures from the infield outside of these prescribe areas will be removed. Access to all other field events are identical to spectators.

Volleyball - Photographers with properly displayed credentials may shoot from off the Sport Court floor on the side opposite the team benches during the entire tournament. Photographers may also shoot from off the court on each end during championship finals. Photographers must wait for a stoppage in play to move to other areas at each end of the courts.

Wrestling - Photographers with properly displayed credentials may shoot from designated areas at mat side at both team and individual tournaments. Photographers must remain off the mat and must vacate the area after the match they are shooting is completed. Television photographers are prohibited from using lights pointed at or near the mat.

Post-Game Interview Policies

No media is allowed on the floor or field for post-game/event interviews immediately after State Championship team contests, or before or during the awards ceremonies except for WIAA contracted services. The nature of each sport will determine the interview policy following State Tournament events as outlined for each sport as determined by the WIAA.

After all WIAA Tournament contests, the WIAA strongly encourages media to honor a five-minute "cooling off" period prior to interviewing participating coaches and players.

No media is allowed access to team or participant locker rooms before, during or after any State Tournament competition. Coaches and participants may be available for interviews directly outside the locker rooms. The following list outlines each sport's State Tournament post-contest interview policies.

Baseball - Members of the media wishing to interview coaches and participants following the State award ceremonies or after quarterfinal and semifinal games can locate and direct coaches and participants to a location off the field not to interfere with warm-ups of the next game or the administration of the event. No interviews are allowed during pre-game warm-ups or during the contest without prior consent of the WIAA executive staff.

The coach and player(s) of the losing team will follow with an eight-minute conference. The coach of the winning team may only participate in a brief on-court interview by the entity with exclusive telecast rights following each game prior to the media conference. No other interviews of coaches or participants are allowed prior to their participation in the media conference. Members of the media are allowed to interview willing coaches and participants following the media conference at a location outside the locker room. Consideration for team time schedules, as well as administrative and facility staffing expectations is appreciated following news conferences. No interviews are allowed during pre-game warm-ups, halftime or during the contest without consent of the WIAA. On occasion, WIAA personnel may allow for a brief television interview with a coach prior to the media conference by stations with a local team (as defined and determined by the WIAA) participating for newscast deadline relief purposes.

Cross Country - Members of the media wishing to interview coaches and participants may do so after runners have gone through the chutes and have entered the fenced-in area provided. Members of the media are allowed to interview coaches and participants following the State award ceremonies. Hockey - In absence of a possible post-game media conference, members of the media wishing to interview coaches and participants following the State award ceremonies or after quarterfinal and semifinal games can locate and direct coaches and participants to a location off the ice, preferably outside each respective team's locker room. No interviews will be allowed on the ice or in the team bench area. Following the final game scheduled for each day, interviews may take place at a convenient location anywhere not on the ice, team bench or inside the locker rooms. No interviews are allowed during pre-game warm-ups or during the contest.

Soccer - Members of the media wishing to interview coaches and participants following the State award ceremonies or after quarterfinal and semifinal games can locate and direct coaches and participants to a location off the playing field not to interfere with warm-ups of the next game or the administration of the event. Volleyball - Members of the media wishing to interview coaches and participants following the State award ceremonies or after quarterfinal and semifinal games can locate and direct coaches and participants to a location away from the playing courts not to interfere with warm-ups of the next game or the administration of the event. Following the final game scheduled for each day, interviews may take place at a convenient location off the playing courts in the general direction of the respective locker rooms. No interviews are allowed during pre-game warm-ups or during the contest.

Wrestling - Members of the media wishing to interview coaches and participants following a match or State award ceremonies can locate and direct coaches and participants to a location not interfering with the matches in progress or administration of the event. Radio, Television and Cable Policies

By submitting the application for broadcast, stations agree to abide by all WIAA regulations and policies regarding the broadcast of events during the entire WIAA Tournament Series to include prohibited advertising and sponsorships as determined by the WIAA as outlined in the "Advertising" section.

WIAA radio, television, cable and internet policies relate to broadcasts during the WIAA State Tournament Series. There is no WIAA jurisdiction over regular-season radio, television, cable or internet broadcasts of high school interscholastic competition, but school administrators are strongly encouraged to prohibit sponsors for broadcasts whose primary business is the sale of tobacco, alcohol, lottery/gambling, mood-altering substances or lewd subject matter.

No fees for regular-season broadcasts are required by the WIAA, but local schools and participating teams may wish to require a fee or to recover any expenses incurred (i.e. power, scaffolding, seats lost due to camera positions, tickets sales lost by spectators staying home and watching, etc.).

The WIAA reserves the right to require two minutes of advertising or promotional inventory to be included in any or all radio or television broadcasts, as well as Web casts of WIAA Tournament Series events as determined by the WIAA.

Radio, television and cable stations and operators also considering streaming audio or video on the internet must abide by all internet policies as written in this guide (see "Internet Policies"). There is no fee for live report "updates" of pre-State Tournament events provided no play-by-play is done. There is a \$25 fee for live or taped radio reports from State Tournament venues.

All radio and internet streaming broadcast rights and credential requests for all State Tournaments will be issued by the WIAA. To apply for play-by-play or live report "update" rights for State Tournament events, radio stations must complete and submit the "Media Credential Request" form located in the back of this publication or in the WIAA Media Guides (make copies of the form). Completed forms with station manager or sports director signature must be faxed to the WIAA by noon at least two business days before the first day of a given tournament or as outlined in the "Credential Request Deadline" section of this guide. Please review the "Requesting Credentials" section for additional credential request policies.

Television stations and cable operators must make arrangements with When We Were Young Productions (608) 849-3200 ext. 225 to inquire about television broadcast or internet video streaming permission prior to the date of the contest. Entities not adhering to permission policies are subject to fines imposed by the rights holder.

Applying for Regional and Sectional Radio Rights

1. To apply for play-by-play and live report broadcast rights for regional and sectional events, radio stations must complete the "Radio/Internet Broadcasting Application" located on page 17 of this publication or in the WIAA Media Guides (make copies of the applications). Completed applications for broadcast with station manager signature should be mailed or faxed to the tournament site and the WIAA at least two days before the first game of a given tournament. Host managers must receive approval from the WIAA to reject any applications to broadcast. Stations are required to contact host tournament managers to notify of their intentions to broadcast any contest(s) during a regional or sectional and make arrangements for entry access. Host managers are expected to furnish free admission for two working persons.
2. Stations are no longer required to include a list of sponsors and advertisers with the application. However, advertising of tobacco, lottery/gambling, alcoholic beverages, mood-altering substances or lewd subject matter or businesses whose

primary purpose is the selling of products prohibited by the WIAA as described in the "Advertising" section during broadcasts are prohibited (see "Advertising" and "Applicable Radio Regulations and Definitions" sections).

Applying for Regional and Sectional Television/Web/Cable Rights

1. Live or tape-delayed television broadcast rights for regional and sectional events by television stations, cable operators and internet sites is prohibited without consent of When We Were Young Productions.
2. Accommodations for working television or cable personnel, cameras and other equipment involved in broadcast production is the responsibility of the host tournament manager, provided the television stations, cable operators or Web stream entities receive permission from When We Were Young Productions to broadcast/stream in advance.
3. Media sending a reporter to cover the WIAA Tournament Series for newscast purposes should practice the professional courtesy to contact tournament host managers with their intent to cover the event. Failure to notify tournament managers in advance may result in denied media privileges at tournament events.

Radio/Television/Web/Cable Regulations and Definitions

A "broadcast" is defined as the airing/streaming or intent of airing/streaming the entire duration of tournament games or complete session of games from the time the broadcast/stream begins to the time the broadcast/stream ends at the tournament site. This definition includes halftime, between games of a session, immediately before and after a tournament game or session, and during intermission stops and timeouts.

A "non-commercial broadcast or Web stream," defined for the purpose of rights fees assessment, is one that contains no commercials or sponsorships during the entire duration of tournament games or complete session of games from the time the broadcast begins to the time the broadcast ends at the tournament site. This definition prohibits commercials or sponsorships during halftime, between games of a session, immediately before and after a tournament session, and during intermission stops and timeouts. However, a station may return to its studio at halftime or between games of a session to air regularly scheduled programs with its normal advertisers and sponsors.

Live Report "updates" are airing/streaming updates on results or general information about the competition or event but contains no play-by-play description of live contests.

"State Tournament Series," "Tournament Series" and the "WIAA Tournament" refers to all the WIAA sponsored events contested at the regional, sectional and State levels.

Stations or internet entities will not receive a reduced fee by dividing a session into one game on a commercial basis and another on a non-commercial or commercial-delayed basis.

Broadcast and Web streaming rights fees (page 16) are applicable for stations and/or Internet sites that pick-up live or delayed feeds from another station, Web site or cable operator.

The WIAA reserves the right to revoke or deny the broadcast or streaming rights of any stations or operators that includes in any part of its broadcast of WIAA Tournament events, including pregame and postgame shows, content or comments considered inappropriate or incompatible with the educational integrity of the tournament or host institution from which the broadcast is originated.

Regional and sectional host tournament managers are authorized to refund fees if the station or Web site has a legitimate reason for not being able to broadcast or stream after they planned to do so and/or indicated to the manager in advance it will not be broadcasting or streaming if the school it is following is eliminated from the tournament. Host managers are expected to furnish free admission for two working persons.

A tape-delayed radio, television or cable broadcast, or Web cast is prohibited from airing/streaming until three hours after the start of the respective event being aired/streamed on a tape-delayed basis. Permission to air or stream any content delayed must come from When We Were Young Productions or the station/network with exclusive television rights.

Radio and Web sites approved by the WIAA to broadcast or stream Tournament Series events are prohibited from feeding its broadcast to any other station(s) or Web sites without additional rights fees being assessed.

Radio stations and Web sites may use the "Radio/Internet Broadcast Application" to submit requests for pre-State events to host managers. In addition, radio and Web sites are also required to apply for pre-State WIAA broadcast rights before accepting a feed or adding a link to a cybercast from another station or Web site and must adhere to all fees, rules, regulations and policies in this guide.

No taped-delayed broadcast or Web cast of any WIAA Tournament Series event is permitted during the exclusive live coverage of the WIAA State Tournament in the same sport.

The use of video, audio and tape exceeding two minutes by the originating station, publication or Web site for any purpose other than highlights on regularly scheduled news or sports broadcasts, or on a Web page is prohibited.

The following list of rules apply for commercial television stations and Web sites covering the WIAA State Tournament Series for newscast purposes:

1. There may not be live coverage of any kind during the contests. "Live coverage" is defined as any activity which occurs while a game or meet is in progress. Stations or Web sites may use a backdrop of live action for reports from a tournament facility provided there is no play-by-play commentary and the report is limited to regularly scheduled news or sports programs and are no more than two minutes of a program which is 30 minutes or less in length.
2. Use of film, video, audio, tape, etc., is limited to regularly scheduled news, sports programs or Web site, and use on such programs is limited to no more than two minutes of a program which is 30 minutes in length. Unless written approval is granted from the WIAA office, use of more than two minutes of film, video, audio, tape, etc., beyond five days from the last day of a tournament is prohibited outside of regularly scheduled news and sports broadcasts without written consent of the WIAA.

No rights fees will be required for schools wishing to air tape-delayed broadcast/streams on their school's educational channel on local cable systems or school's Web site.

The WIAA reserves the right to consider applications for radio and internet broadcast rights on an individual basis.

1. Television stations and WIAA networks/partners broadcasting or Web streaming live
2. Television stations and WIAA networks/partners broadcasting or Web streaming tape delayed

Internet Policies

The WIAA reserves the right to grant, issue and deny credentials to any internet service organizations based on the interpretation and intent of these policies determined by the WIAA. In cases deemed unique by the Association, these policies may be amended. The WIAA and its exclusive rights partners retain the rights to all video, audio, digital images or data taken at a WIAA Tournament Series event.

Applying for Internet Media Credentials

Internet organizations meeting WIAA internet credential criteria may receive media credentials by making a formal request for credentials for each State Tournament event by submitting the WIAA "Credential Request Form" provided in a submittable form online located on the restricted area of the Media Center. The form is also provided in this manual and in the WIAA Media Guides.

The internet organization may be required to submit its internet address and certifiable traffic numbers to the WIAA prior to approval of credential requests.

Video streaming rights of WIAA regional, sectional and State Tournaments are operated by contractual partners of the WIAA. Audio streaming rights of WIAA State Tournaments are property of the WIAA.

To be considered for a WIAA media credential, internet organizations must be determined to be a legitimate news-gathering organization and meet the following criteria established by the WIAA:

1. High school sports content on the site is available without restrictions or subscriber/user fees.
2. The site has demonstrated a history and reputation for covering high school sports on a timely basis.
3. Content on the site is original and news-gathering in nature, updated on a daily basis in the form of stories, game stories and updates, comprehensive scores, standings, statistics or streaming.
4. Site is not a personal page or content and demographic audience is not a fan-based site of one school or a small number of schools.
5. Sites with content, forums or advertising (see "Advertising" section on page 15) not in compliance with the mission or media policies of WIAA, or associated with any promotion or link to material deemed inappropriate, as determined by the WIAA, will not be granted credentials.

Applicable Regulations and Definitions

Internet and Web site are interchangeable terms for the purpose of WIAA regulations and definitions. A cybercast is defined in this section as a data, audio or video transmission or stream on the internet.

“Real-time,” or tape-delayed account/transmission by audio streaming, video streaming, digital images or data, including game statistics and scores, is exclusive property of the WIAA and rights-granted entities. Any account/transmitting of real-time video, audio, digital images or data is prohibited on-site or off-site without consent of the WIAA. Web blogs not posting continuous play-by-play accounts of game or event action are permitted if determined by the WIAA to be in compliance with the mission and media policies of WIAA, and if they are not associated with any promotion, reference or link to material deemed inappropriate or not in the best interest of the WIAA.

The WIAA owns the rights to transmit, upload, stream or display content live during WIAA events and reserves the right to grant exclusive and nonexclusive rights or not to grant those rights on an event-by-event basis.

“Real-time” or “live” transmissions are defined as written, audio, video or digital image accounts of a WIAA State Tournament Series event, including data such as play-by-play, statistics and scores, while an event is in progress. Any “real-time,” or delayed transmission by audio streaming, video streaming, digital images or data, including game statistics can not infringe on existing or duplicate content already provided by another party granted exclusive rights by the WIAA.

Web sites of traditional media (newspaper, radio, television) may be issued credentials, but are not allowed “real-time” or “live” transmission by audio streaming, video streaming, digital image or other data, including game play-by-play, statistics and scores without consent and rights granted by the WIAA.

Web sites given permission by the WIAA to transmit “real-time” or “live” audio or video streaming are subject to cybercast rights and line-usage fees and must adhere to all broadcast regulations, fees and advertising policies of the WIAA outlined in this guide.

Radio stations with Web sites will not be charged additional internet transmission fees if originating transmission is of similar nature and is not in competition with an exclusive rights-granted, fee-paying organization. For example, radio stations will not be charged an additional broadcast fee for streaming audio that originates for over-the-air broadcasts and is simultaneously streamed on the official flagship station’s Web site only. Network stations or any other stations or Web sites may not link streamed audio unless those stations are also broadcasting the identical audio over-the-air. Any stations or Web sites not airing the broadcast of the network feed but links to the audio streaming of the event is subject to the cybercast rights fees. Requests for such permission must be indicated on the WIAA “Radio/Internet Broadcast Application.” Any State Tournament cybercast permission must be clear through the WIAA. In addition, a radio station or Web site is required to apply and receive WIAA broadcast or cybercast rights approval before accepting a feed or adding a link to a cybercast from another station or Web site and must adhere to all rules, regulations and policies in this manual.

Newspapers transmitting “real-time” or “live” text, audio, image or video depicting action of State Tournament events is considered similar to that of a play-by-play radio or television broadcast and are subject to rights fees. Web blogs not posting continuous play-by-play accounts of game or event action are not subject to rights fees unless determined by the WIAA to be a live depiction of event action.

Also, any radio streaming “real-time” video are subject to exclusive rights agreements and cybercast fees. In addition, any television streaming “real-time” audio other than that of the fee-paying, rights-granted television broadcast is subject to the cybercast rights fees.

Credentials for approved organizations will be accommodated on a credential availability basis, but approved Web site credentials do not guarantee access to phone lines or seating. Due to space restrictions, Web site personnel and Web site photographers may not be granted credentials.

Traditional state, regional or national media sources (newspapers, radio or television) staffed by full-time employees for its internet operations may receive a maximum of two credentials with intent of reporting on WIAA State Tournament events.

Legitimate internet-only news organizations, as determined by the WIAA, with the intent of reporting on WIAA State Tournament events will be restricted and limited to two credentials due to space and facility restrictions. They are also subject to exclusive rights agreements, line-usage, and conceivably, cybercast rights fees and permissions.

All images captured at WIAA State Tournament Series are property of the WIAA. The WIAA allows legitimate media agencies to utilize digital images and photographs for the noncommercial purpose of reporting the events only. Photographs, digital images, written or audio transcripts, or video may not be sold without written consent from the WIAA.

Advertising

The WIAA retains the right to require stations to submit in writing, upon WIAA request, any and all advertisements or sponsorships during a radio, television or internet broadcast of WIAA Tournament Series competition.

The WIAA reserves the right to approve or reject any sponsorship or advertisement for any product, service or opinion. For any part or segment of an entire broadcast/Webcast originating from the tournament site, the WIAA strictly prohibits the sponsorship and advertising of tobacco products, lottery/gambling, alcoholic beverages, mood-altering substances or lewd subject matter. Businesses with the primary purpose of selling any of these prohibited products are also prohibited from advertising on all broadcasts throughout the WIAA State Tournament Series. Businesses in which these products are available in a secondary capacity may advertise on WIAA Tournament broadcasts. However, the WIAA prohibits the referring to the sale of these prohibited products or establishments within the businesses where the primary purpose is the sale of prohibited products. Also prohibited from any WIAA Tournament broadcast is the reading of a list that includes prohibited advertisers or sponsors, including the name and/or locations of businesses, products or services.

Television, radio, print, Web sites or any other media are prohibited from referring, implying or using words/language that recognizes or identifies a business or organization as an "official sponsor" of any WIAA State Tournament Series event under the auspices of the WIAA. This includes any live broadcast or cybercast events; rebroadcast of events; any printed accounts; any commercials, advertisements or sponsorships; and any references made by writers and broadcasters during Tournament Series events. Television, radio, print, Web sites and any other media may use language that the tournament *coverage* or *broadcast* is sponsored by an advertiser or sponsor.

The WIAA reserves the right and responsibility to cancel any and all broadcast and broadcast rights for an event in progress and subsequent WIAA Tournament events for any station found to have violated the provisions of the WIAA's advertising policy.

General Policies

The WIAA acknowledges the responsibilities of legitimate news gathering media representatives in covering and reporting from WIAA-sponsored tournaments. We recognize the interest and promotion generated by media coverage and the recognition given to the achievements of school teams and student-athletes. Therefore, the WIAA has established regulations and guidelines to assist media with the requesting/issuing of working media credentials, the use of equipment by news gathering media and WIAA property rights for State Tournament Series competitions.

Any non-editorial, commercial or other unauthorized use of any transmission, internet stream, photo, image, film, videotape, audio tape, any play-by-play depiction or description of any competition and/or game action and/or any non-editorial or commercial use of any team school name or logo, is prohibited without written consent of the WIAA.

Media Credentials

Media credentials and accommodations for regional, sectional and State Tournament competitions are not transferable or for sale or resale under any circumstance.

Requests for credentials must be made in accordance with WIAA policies through a legitimate newspaper, radio/TV station, magazine, Internet site or other recognized news-gathering organizations as determined by the WIAA. Credentials are reserved for adult members of the media only. The WIAA reserves the right to request company letterhead when determined necessary to verify credential requests.

Media requesting credentials to WIAA State Tournament events must submit a completed Credential Request Form. An on-line submittable form is located on the restricted area of the WIAA Media Center Web site. Please submit the form by the published deadlines (see page 5).

The WIAA retains the right and sole discretion to confiscate and deny future credentials to any media organization or individual not adhering to WIAA policies or failure to pay rights fees stated in this manual. Credentials are issued by the WIAA to media organizations to provide access for an individual or individuals who have a legitimate working relationship with an accredited media organization (as determined by the WIAA) in connection with the event for which the credential is issued.

By requesting and accepting the use of a WIAA credential, the media organization, its personnel and agents, together agree the bearer of the credential is performing a legitimate working function in attending the event. The credential is for use only in connection with the bearer's news and editorial coverage of the event.

Requesting Credentials

Requests for media credentials will be accepted and issued to members of the media and media organizations based on the following conditions:

1. Credentials for all regional and sectional levels of the Tournament Series will be issued by the tournament manager at the school hosting the event. All media are required to contact the host school athletic director or host tournament manager in advance of the event to make arrangements for credentials. Failure to contact host managers/athletic directors in advance may result in denied media privileges at tournament events.

Please submit the form by the published deadlines (see page 5). 7. The WIAA reserves the right and sole discretion to revoke current and deny future credentials to any media organization in violation of any WIAA media policies, failure to pay rights fees or any other provisions of credentials. Media organizations that violate credential policies are subject to legal liability, as well as all costs incurred in enforcing the terms of these policies, including but not limited to reasonable attorney fees.

Credential Provisions

1. The WIAA authorizes the number of credentials issued to any media organization. The WIAA media credential is issued to members of legitimate media outlets and/or Internet sites that have a professional working function (as determined by the WIAA) at WIAA State Tournament venues and events. The credential provides access to specified locations, venues and events for which the credential was issued. At certain tournaments, some areas may be restricted for radio, television, news print, Internet sites and photographers.
2. Credentials must be worn and displayed at all times while at the tournament venue for which the credential is issued.
3. The transfer, sale or resale of credentials is prohibited and will result in immediate confiscation of credential and/or possible denial of future credentials to individual perpetrators or their affiliated media organization as determined by the WIAA.
4. The media work areas are available for professional working members of the media. Cheerleading in press boxes and media seating is unprofessional and will not be tolerated. Violators will have their media credentials revoked and be escorted out of the media area or press box by WIAA or security personnel.

6. Any member of the media believed to be intoxicated, under the influence of mood-altering substances or acting in an unprofessional manner as determined by WIAA personnel will have their media credentials revoked and be escorted out of the media area with possible denial of future credentials to individual perpetrators and/or their affiliated media organization as determined by the WIAA.
7. A media credential does not allow access to team or participant locker rooms before, during or after any State Tournament competition. Coaches and participants may be available for interviews directly outside the locker rooms.

Member School Photo Credentials

The WIAA does not provide media credentials to member schools for students of schools advancing to the State Tournaments. However, each school that qualifies a team for the State Tournament is permitted one (1) "School Photographer" credential in sports where applicable. A ticket must be purchased and a letter from the principal or athletic director identifying the individual as the recipient of the "School Photographer" credential is required.

Only schools of competing teams may receive a "School Photographer" credential to photograph or tape a State Tournament event in applicable sports. Tapes or photos may not be sold, rented, loaned, transmitted on the Web site or shared with other schools or local cable access stations. Any commercial sponsorship or commercial use of the video is prohibited. Violation of this policy will subject the school to video and transmission rights fees.

A school which designates any outside entity for its "School Photographer" pass forfeits the right to send its own film or video photographer to the State Tournament.

Parking Permit Ordering Policies

For most WIAA State Tournaments, media may utilize and purchase existing general parking at the venues. For events at the Kohl Center and Camp Randall in Madison, Wis., members of the media may request to purchase, at cost (with postage), parking permits directly from UW Transportation Services. Access the WIAA event parking request form on the restricted area of the WIAA Media Center Web site at: www.wiaawi.org. Find the link to the form on the restricted area of the WIAA Media Center next to the Credential Request form. Follow the instructions to submit the form to UW Transportation Services by the deadline indicated for each respective tournament.

Communication Lines

The WIAA secures a number of telephone, high-speed lines or wireless connections at State Tournament venues. All lines requested through the WIAA are considered shared lines. No dedicated lines throughout an entire tournament will be provided unless arrangements are made to install a dedicated line at cost to the media organization requesting the line (see “note” below). Play-by-play radio transmissions may request use of a phone line during their transmission at a shared cost as indicated on the “Credential Request Form.” Radio stations filing live reports will utilize available lines to file reports. Please indicate on the on-line Credential Request Form if you plan to use a cell phone for play-by-play transmissions or reports to help avoid invoicing for line usage fees.

Communication connection usage fees are \$25 for phone lines and \$30 for WiFi access to upload information on a regular basis but not on a continuous basis, \$25 for radios using phone lines to file live or taped reports back to stations, and \$75 for any media using phone lines for transmitting live play-by-play of a game or segment of a game.

Note: Any media requesting or requiring to guarantee a dedicated line (exclusive line) for continual use during an entire tournament must make arrangements for the installation and charges with the host venue and telecommunications company and notify the WIAA. Media outlets with pre-existing dedicated lines at host venues will have those lines reserved for its use. However, seat locations adjacent to a media’s dedicated phone jack is not guaranteed based on available media seating.

Photography Provisions

Guidelines and policies for photographers at WIAA State Tournaments and during the Tournament Series are determined by the WIAA and based on the nature of the activity and venue, and the official rules of the activity. Photographs taken with the issuance of credentials are restricted to newspapers, news and sports-related periodicals and Web sites, except with written consent of the WIAA Executive Staff. Photographers issued WIAA credentials must adhere to all WIAA photography policies and provisions outlined in this section.

The sale or resale of still photography by WIAA-credentialed media is permitted. However, the sale of any products using images from WIAA Tournament Series events is prohibited without written permission from the WIAA.

Any sale or resale of photography, digital image, videotape or film taken without a media credential at State Tournament Series events is prohibited without approval from the WIAA. Any photo, image or video taken without credentials are subject to rights, if any, of all third parties, including the individuals photographed. A license authorizing the sale of photographs of WIAA pre-State Tournaments (regionals and sectionals) by nonmedia, non-editorial photographers is available through WIAA for a yearly fee of \$100. Please contact the WIAA if interested.

Use of flash equipment and strobe lighting is permitted at all State Tournaments except the gymnastics championships, provided the use of such equipment does not interfere with or disrupt any action or administration of the event. It is the authority of the WIAA to determine if flash equipment is interfering or disrupting play at the State Tournament and the authority of game

officials and tournament management at pre-State tournaments. Media intending to use flash and strobe equipment should meet with officials and tournament managers prior to regional and sectional contests to avoid potential problems.

During post-game celebrations and awards ceremonies, only the official WIAA photographer and the entity possessing the exclusive television broadcast rights are allowed inside the ceremony perimeter (as determined and controlled by WIAA personnel). All other photographers must remain at the ceremony perimeter.

Loose equipment bags or tripods are not allowed at courtside, on the sideline or in competing areas. Photographers must remain in areas designated for photographers as determined by the WIAA (see "Photographer Location Policies" section).

Photographers are prohibited from shooting in locker room and in spectator areas that obstruct the view of spectators in their ticketed seats.

Photography Locations

The following outline provides the photography policies and the locations available for photographers at each sport's State championship venue. Please refer to the media instructions in State Tournament media packets at each State venue for additional information or changes to policies.

Baseball - National Federation rules prohibit media photographers from being present in any live ball areas. Photographers must remain in designated photo areas as determined by the WIAA. The designated photo areas at Spring Baseball are located in the photography box on the outfield side of the dugouts along the first and third base lines. The designated photo areas at Summer Baseball are located inside the fence on the outfield side of the dugouts along the first and third base lines. These locations are identified with a chalk outline. Access to the field is available during award ceremonies.

Basketball - Only photographers with properly displayed media credentials will be allowed access to courtside photo areas. These areas are at the edge of the court along the ends of the court, from the corner of the court to the free throw lane extended to the edge of the floor on each side of the baskets. No photographers are allowed on the floor along the sides of the court (along team benches and media row). Photographers must sit or kneel when the game is in progress. No television or press photography is allowed on the court during pregame warm-ups, during announcing of the starting lineups or anytime during the game with the exception of the official WIAA network and videographers.

Cross Country - Photographers with cameras and credentials will be allowed inside spectator ropes and restraining fences in designated areas for race starts and finishes as determined by the WIAA. Crossing in front of runners during the race on the course is strictly prohibited. At the finish chute, photographers must stay in designated roped-off areas. Photographers must stay out of all sand traps and off tee boxes and greens.

Football - Photographers will be allowed access to the sidelines with properly displayed credentials. Photographers are allowed behind the dotted line from the 30-yard line to the end zone and along the back end of the end zone. Photographers are not allowed in the team areas (30-yard line to 30-yard line) except for the official WIAA videographer, but may pass through the back of the team box to get to the other end of the field. However, they are not allowed to stop in the team area.

Golf - Photographers with properly displayed credentials may follow golfers. Photographers must shoot from the rough or cart paths, taking extreme caution not to interfere with contestant sight lines or disturb play in any manner as determined by the WIAA.

Gymnastics - This is the only tournament that prohibits flash and strobe photography because of the potential safety hazard to gymnasts. Photographers must remain outside the perimeter of the judges and must leave the floor after the event they are shooting is completed or when the gymnast has finished her routine. Photographers must refrain from moving at locations near apparatus during routines.

Hockey - Photographers with properly displayed credentials may shoot from nearly any location at the Coliseum where spectator views are not blocked. However, photographers are prohibited from shooting from the penalty box, team bench areas, the goal judge area and the player entrance areas.

Soccer - Photographers are prohibited from entering the playing field at anytime during a game, including shootouts. Photographers with properly displayed credentials are allowed to shoot during play on the sidelines and on the end lines directly inside ropes and fences not to encroach the sideline of the soccer field with the following two exceptions. Photographers are prohibited from shooting in the area directly behind the goal/penalty area on each end of the field during action or in front of the official bench and team benches at any time. It is permissible for photographers to move onto the playing area for pictures before and after games, during halftime and during intermissions between overtime periods.

Softball - National Federation rules prohibit media photographers from being present in any live ball areas. Photographers must remain in designated photo areas off the playing field as determined by the WIAA. The designated photo areas at Goodman Diamond are outside the fence in the opening between seating areas along the first and third base lines. In addition, photographers can shoot outside the fence down the lines in the outfield and in the designated camera area in the stands behind home plate. Access to the field is available during award ceremonies only.

Swimming & Diving - Photographers with properly displayed credentials may shoot from the designated areas on the pool deck and behind any roped-off areas. Permissible photographer areas are located on the control side of the pool, behind the timers' chairs and at the contestant seating area at the end of the pool opposite the starting blocks. Photographers are not allowed on the walkway where the awards stand is located or near the diving pool. Television photographers and photographers using flashes/lights pointed at the swimmers during turns, exchanges and starts are prohibited.

Tennis - Photographers with properly displayed credentials may shoot from nearly any location of the Stadium where spectator views are not blocked. No photography is permitted at courtside during matches. Media wishing courtside photos during warm-ups are required to request access from WIAA personnel prior to entering courts. Flash photography at courtside during warm-ups must receive permission from WIAA officials.

Track & Field - Guidelines for photographers at the Veterans Memorial Stadium are provided at the State Meet. Access to the infield will be limited to photographers only and only in the designated areas. Anyone with a media or photo credential not shooting photography in these areas will be removed from the infield. In addition, any media photographer taking pictures from the infield outside of these prescribe areas or on the track during running events will be removed. Access to all other field events are identical to spectators.

Volleyball - Photographers with properly displayed credentials may shoot from off the Sport Court floor on the side opposite the team benches during the entire tournament. Photographers may also shoot from off the court on each end during championship finals. Photographers must wait for a stoppage in play to move to other areas at each end of the courts.

Wrestling - Photographers with properly displayed credentials may shoot from designated areas at mat side at both team and individual tournaments. Photographers must remain off the mat and must vacate the area after the match they are shooting is completed. Television photographers are prohibited from using lights pointed at or near the mat.

Post-Game Interview Policies

No media is allowed on the floor or field for post-game/event interviews immediately after State Championship team contests, or before or during the awards ceremonies except for WIAA media network (when applicable) and videographers. The nature of each sport will determine the interview policy following State Tournament events as outlined for each sport as determined by the WIAA.
