Before BYE, LAY, and RILEY, Circuit Judges.

PER CURIAM.

Gas Aggregation Services, Inc., appeals the district court's¹ order granting Howard Avista Energy, LLC, and Howard Energy Marketing, LLC's motion to alter or amend the district court's earlier judgment awarding pre-judgment interest on an award for loss of business damages. The district court has provided a comprehensive and well-reasoned opinion addressing the issues raised by the parties, and we have nothing to add to the analysis. Accordingly, we affirm the judgment of the district court for the reasons stated in its memorandum opinion. See 8th Cir. R. 47B.

¹The Honorable Davis S. Doty, United States District Judge for the District of Minnesota.
