Filed: October 21, 2009

Before BYE, BOWMAN, and BENTON, Circuit Judges.

PER CURIAM.

Arkansas inmate Michael S. Griffis appeals the district court's¹ adverse grant of partial summary judgment in his 42 U.S.C. § 1983 action.² The claims disposed of in these rulings concerned Griffis's allegations of poor housing conditions and deficient medical care at the Carroll County Detention Center, where he spent almost three years as a pretrial detainee. Having found no merit to the issues Griffis raises on appeal, see Roe v. Crawford, 514 F.3d 789, 793 (8th Cir.) (standard of review), cert. denied, 129 S. Ct. 109 (2008), we affirm, see 8th Cir. R. 47B.

¹The Honorable Jimm Larry Hendren, Chief Judge, United States District Court for the Western District of Arkansas, adopting the report and recommendations of the Honorable James R. Marschewski, United States Magistrate Judge for the Western District of Arkansas.

²The remaining claims, concerning lockdown and a restraint chair, were disposed of (in his favor) following a hearing. This ruling is not at issue on appeal.
