Before BYE, BOWMAN, and BENTON, Circuit Judges.

PER CURIAM.

DeAndre Askew appeals the District Court's¹ adverse grant of summary judgment in his civil action asserting discriminatory termination and defamation. He also appeals the District Court's dismissal of his related assault claim for lack of jurisdiction, and the denial of his motion to compel. We find no error in the Court's denial of Askew's motion to compel, see Fed. R. Civ. P. 33, 34, 37(a)(3), or in the dismissal of Askew's assault claim, which arose out of a work-related confrontation between Askew and another employee, see Mo. Rev. Stat. § 287.120 (exclusive rights

Upon careful review of the record, <u>see Jacob-Mua v. Accordingly, we affirm.
