*

Submitted: February 11, 2010
Filed: February 17, 2010

Before MELLOY, BOWMAN, and SMITH, Circuit Judges.

PER CURIAM.

Sandra Kemper appeals the district court's¹ order dismissing her federal civil rights and state-law tort claims against St. Louis County. After careful de novo review, see O'Neil v. Simplicity, Inc., 574 F.3d 501, 503 (8th Cir. 2009) (dismissal), Cousineau v. Norstan, Inc., 322 F.3d 493, 499 (8th Cir. 2003) (questions of state law), we conclude that dismissal was proper for the reasons stated by the district court. Accordingly, we affirm. See 8th Cir. R. 47B.

¹The Honorable Carol E. Jackson, United States District Judge for the Eastern District of Missouri.
