PER CURIAM.

Dameon Spencer appeals the district court's<sup>1</sup> adverse grant of summary judgment as to Mark Cashion, and its later adverse judgment as to Floyd White and Ron Nichols following a bench trial, in his 42 U.S.C. § 1983 suit in which he alleged that his federal constitutional rights were violated by his prolonged detention between his arrest and his first appearance before a judge. Having reviewed the record de novo, see Eckert v. Titan Tire Corp., 514 F.3d 801, 804 (8th Cir. 2008); Davis v. Hall, 375 F.3d 703, 711 (8th Cir. 2004), and considered Spencer's arguments on appeal, we agree with the district court's well reasoned opinion. Accordingly, we affirm the district court's judgment. See 8th Cir. R. 47B.
