Before BYE, BOWMAN, and COLLOTON, Circuit Judges.

PER CURIAM.

Joann Berget, Wynn Arvidson, and Ward Arvidson appeal the district court's¹ adverse grant of summary judgment in their 42 U.S.C. § 1983 action. After careful de novo review, viewing the evidence and all fair inferences from it in the light most favorable to appellants, see Johnson v. Blaukat, 453 F.3d 1108, 1112 (8th Cir. 2006), we conclude that summary judgment was properly granted for the reasons stated by the district court. Accordingly, we affirm. See 8th Cir. R. 47B. We also deny appellees' motion to strike portions of appellants' appendix.

¹The Honorable Michael J. Davis, Chief Judge, United States District Court for the District of Minnesota.
