Before MELLOY, GRUENDER, and BENTON, Circuit Judges.

PER CURIAM.

After a jury rendered a verdict for defendants on Corvin Jerrod Bolden's 42 U.S.C. § 1983 complaint, he moved for post-judgment relief, arguing that the district

court's¹ excessive-force instruction was erroneous. The district court denied his motion and Bolden appeals.

After careful review, this court concludes that the instruction fairly and adequately represents the evidence and the applicable law. *See Campos v. City of Blue Springs, Mo.*, 289 F.3d 546, 551-52 (8th Cir. 2002) (standard of review). This court affirms the judgment and denies the pending motion. *See* 8th Cir. R. 47B.

¹The Honorable Ann D. Montgomery, United States District Judge for the District of Minnesota.
