Before WOLLMAN, SMITH, and GRUENDER, Circuit Judges.

PER CURIAM.

Appellate Case: 10-3735 Page: 1 Date Filed: 10/07/2011 Entry ID: 3836997 Dockets.Justia.com

Missouri inmate Shyheim El-Mu'min appeals the district court's¹ grant of a partial directed verdict to defendants and the judgment for defendants on the jury verdict in his 42 U.S.C. § 1983 action. We cannot review these rulings, however, because El-Mu'min did not provide a trial transcript and did not ask this court to prepare a transcript at government expense. See Fed. R. App. P. 10(b); Schmid v. United Bhd. of Carpenters & Joiners, 827 F.2d 384, 386 (8th Cir. 1987) (per curiam) (appellant's failure to provide transcript makes it impossible to review evidence presented at trial).

Accordingly, the	e judgment is affirmed	•

¹The Honorable Matt J. Whitworth, United States Magistrate Judge for the Western District of Missouri, to whom the case was referred for final disposition by consent of the parties pursuant to 28 U.S.C. § 636(c).
