United States Court of Appeals For the Cighth Circuit

	Jut the Cighth Cirruit	
	No. 12-3763	
	United States of America	
	Plaintiff - Appellee	
	V.	
	Bobby Graves	
	Defendant - Appellant	
	eal from United States District Court estern District of Missouri - Kansas City	
	Submitted: April 19, 2013 Filed: April 24, 2013 [Unpublished]	
Before WOLLMAN, BOV	WMAN, and GRUENDER, Circuit Judges.	
PER CURIAM.		
	als the district court's denial of his 18 U.S.C. based on Amendment 750 to the United State	

¹The Honorable Nanette K. Laughrey, United States District Judge for the Western District of Missouri.

Guidelines. We affirm, as the amendment did not lower Graves's Guidelines range. See U.S.S.G. § 1B1.10, comment. (n.1(A)) (eligibility for consideration under § 3582(c)(2) is triggered only by amendment that lowers applicable Guidelines range); United States v. Tolliver, 570 F.3d 1062, 1066-67 (8th Cir. 2009) (where applicable Guidelines range was not lowered by amendment, district court lacked authority to reduce sentence).
