Appeal from United States District Court
for the District of South Dakota - Sioux Falls

Submitted: December 2, 2014
Filed: December 5, 2014
[Unpublished]

Before SMITH, BOWMAN, and COLLOTON, Circuit Judges.

PER CURIAM.

Roger Waldner appeals from the adverse judgment of the District Court¹ in his action under the Racketeer Influenced and Corrupt Organizations Act (RICO) entered after the court granted defendants' various motions and dismissed sua sponte the few remaining claims. Upon careful consideration of the issues Waldner raises on appeal,² we find no basis for reversal. The judgment of the District Court is affirmed. See 8th Cir. R. 47B.

¹The Honorable Lawrence L. Piersol, United States District Judge for the District of South Dakota.

²Waldner has dropped his appeal from orders disposing of his claims against some defendants, and we decline to consider claims that he has waived by not including any meaningful arguments on appeal. See Williams v. Decker, 767 F.3d 734, 743 n.3 (8th Cir. 2014).
