United States of America

Plaintiff - Appellee

v.

Toby P. Young Bear

Defendant - Appellant

Appeal from United States District Court
for the District of North Dakota - Bismarck

Submitted: August 22, 2014

Before WOLLMAN, GRUENDER, and SHEPHERD, Circuit Judges.

PER CURIAM.

Toby Young Bear directly appeals the sentence of 4 months in prison imposed by the district court¹ upon revoking his supervised release. Because Young Bear has

been released from custody and has fully discharged his revocation sentence, we dismiss this appeal as moot. Cf. Spencer v. Kemna, 523 U.S. 1, 7-18 (1998) (declaring challenge to allegedly erroneous parole revocation moot because defendant had already served his entire sentence). We also deny counsel's motion to withdraw as moot.
